

**NOW ACCEPTING APPLICATIONS
BY JANUARY 6, 2024**

Russian Youth Environmental Program

Explore America through the lens of
environmental stewardship!

PROGRAM OVERVIEW

RYEP is a 4-week in-person exchange program that includes

- Travel to the U.S.
- Classes at an American university aimed at deepening your environmental stewardship knowledge
- Connecting with American environmental professionals and American college students
- Leadership skills development
- A stay with an American host family

WHO CAN APPLY?

We encourage you to apply if you are:

- A citizen and resident of the Russian Federation
- Proficient in the English language
- Between 18 and 22 years old
- An aspiring community leader
- Committed to preserving the environment
